PRESIDENT'S LETTER

Happy New Year to all players, parents and coaches.

As we enjoy a long, hot summer it is difficult to think ahead to May and the beginning of the 2004 soccer season. However, planning is well underway and we are looking forward to a great year.

The Junior Section of the Club is working hard to make 2004 a success for our players. Together with the Executive Committee and the Senior Section we are working on new opportunities for our strip and gear so that we have a high standard and uniformity throughout all of the Club. We hope to make more information on this available soon. We are upgrading and improving communication and information on our website (www.cashmere-soccer.co.nz) and will be meeting with interested coaches, potential coaches, managers and grade organisers pre-season (date will be advised) to ensure that the objectives and expectations of everyone are understood and then hopefully met.

We look forward to seeing players and parents at the Registration Day and the Club's Open Day (details on the cover). Remember to check out our website for further information and news. The 2004 registration form can be downloaded from the site.

The usual reminder that the Club's success, which has almost 800 members, largely rests on the willingness of the parents of our junior members to help out where they can. There are opportunities to coach a team no matter what your level of experience is, manage your child's team or to be a grade organiser. Please think about where you may be able to help and let us know on your child's Registration Form.

Enjoy the rest of the summer and look forward to a winter of excellent soccer!

Richard Raymond

JUNIOR VICE-PRESIDENT

WEBSITE UPDATE

www.cashmere-soccer.co.nz

The Cashmere Wanderers website is still a popular pick for web surfers with around 200 visitors per week (yes, 200 per week) even in the off season.

Online you can find out a huge amount about our club, what it does and how it has operated over the years. If you have any friends that are thinking of transferring to Cashmere Wanderers refer them to the website where they can find out all about us and even join our Email Mailing List. You can download a membership application form, browse our popular soccer links page, read last years newsletters or catch up on some international soccer news.

We are also currently working on an upgrade to our website services which is expected to take effect within 2 weeks. When the website upgrade has taken effect there will be a number of new features available for members use including a new "Members Only" area which will be accessible only by entering a password. It is intended that this area will have a variety of club resources including a copy of the club constitution and minutes of club committee meetings.

The password entry details for this area for this season will be:

- Username: *****
- Password: *****

These details will be reconfirmed in every newsletter.

If you have any suggestions for improvements to the website, email david@f1.co.nz with your comments or ideas.
